

EXP 4 INPUT AND OUTPUT :

The screenshot shows the Visual Studio Code editor with the file 'exp4.html' open. The code is an HTML document with a title 'Write a function using ES5 and ES6 with any example'. It contains a JavaScript script with the following logic: variables 'a' and 'b' are declared with values 7 and 9 respectively. A function 'test(d)' is defined, which checks if 'd' is greater than 60. If true, it updates 'a' to 20 and 'b' to 35, then logs 'Addition for two number for block' followed by the sum of 'a' and 'b'. A 'test(60)' call is made. After the function definition, 'test1()' is called, which logs 'Addition for two number for loop' followed by the sum of 'a' and 'b'. Finally, 'test1()' is called again, which logs 'Addition for two number for loop inside second function' followed by the sum of 'a' and 'b'. The status bar at the bottom indicates 'Ln 6, Col 17', 'Tab Size: 4', 'UTF-8', 'LF', 'HTML', and the time '11:28' on '02-10-2022'.

```
1 <!DOCTYPE html>
2 <html lang="en">
3   <title> Write a function using ES5 and ES6 with any example</title>
4   <head>
5     <script type="text/javascript">
6       var a = 7;
7       var b = 9;
8       function test(d){
9         if (d>60)
10        {
11          let a = 20;
12          let b = 35;
13          console.log("Addition for two number for block"+" "+(a+b));
14        }
15      }
16      console.log("Addition for two number for loop"+" "+(a+b));
17      function test1()
18      {
19        console.log("Addition for two number for loop inside second function"+" "+(a+b));
20      }
21
22      let p = 70;
23      test (p);
24      test1 ();
25    </script>
26  </head>
27 </html>
```

The screenshot shows a web browser window with the address bar displaying 'C:/Users/mrtec/Downloads/SPAM/exp4.html'. The console is open, showing the output of the JavaScript code. The output consists of three lines: 'Addition for two number for loop 16' (from line 16), 'Addition for two number for block 55' (from line 13), and 'Addition for two number for loop inside second function 16' (from line 19). The status bar at the bottom indicates 'ENG IN' and the time '11:28' on '02-10-2022'.

```
top Filter Default levels No Issues
Addition for two number for loop 16 exp4.html:16
Addition for two number for block 55 exp4.html:13
Addition for two number for loop inside second function 16 exp4.html:19
```
