

## EXP 12 INPUT AND OUTPUT :

The screenshot shows the Visual Studio Code editor with a file named `hello.js` open. The code in the file is as follows:

```
1 var http = require('http');
2 http.createServer(function (req, res){
3   res.write('Hello');
4   res.end();
5 }
6 ).listen(5000);
7 console.log("Server Running at port 5000");
8
9
```

Below the editor, the **TERMINAL** panel is active, showing the command `ayush@AERO13:~$ node hello.js` and its output: `Server Running at port 5000`. The status bar at the bottom indicates the file is `hello.js` at line 9, column 1, using the `UTF-8` encoding and `LF` line endings. The system tray shows the date and time as 19-10-2022, 21:23.
